To whom it may concern

We were lucky to have Swedish David Eriksson's performance Pink on the Inside in PIT 2016's main program.

And it became an absolute success! Of course. David Eriksson is a great stage personality, skilled, funny and energetic. But - maybe - most important; Pink on the Inside has an important story to tell, that touches the audience deeply.

Pink on the Inside deserves a big audience!

Yours

Trond Hannemyr
Director of PIT
